## People with Autism Spectrum Conditions asked for their views on services

We're working with [Wiltshire Service Users Network](#) to find out what people with Autism Spectrum Conditions and their relatives and carers think about health, care and support services.

We have launched two surveys, [which can be completed online](#), on paper or over the phone.

If you would like support to complete the survey, or would like a paper copy to be sent to you, please contact Healthwatch Wiltshire on 01225 434218

or [info@healthwatchwiltshire.co.uk](mailto:info@healthwatchwiltshire.co.uk) or WSUN on 01380 871800  
or [info@wsun@btconnect.com](mailto:info@wsun@btconnect.com) and we will arrange this for you.

Everything you share with us will be used to tell those who run services what could be improved or developed in the future. All feedback is confidential and anonymous.
