June 2019

Our thanks to our army of volunteers

In honour of Volunteers Week (1-7 June) we said thank you to our wonderful volunteers with a fascinating tour of the Wiltshire and Swindon History Centre.

We spent an afternoon learning about the work of conservators, exploring the archives, and viewing a special exhibition which included a letter from Florence Nightingale! Thanks to Terry, Margaret and the team for showing us some amazing artefacts.

How can Primary Care Networks work for you?

From July, GP practices will be grouping together to provide more services to patients and will be working more closely with other services such as hospitals, pharmacies, mental health and social care.

We want to hear your views on how these groups, called [Primary Care Networks](#), could work for you. How do you think GP surgeries can work together to improve care for people with long term conditions?

Have your say

Tell us your experiences of adult safeguarding

We're keen to hear from anyone who has been through the adult safeguarding process in Wiltshire to find out how the system has worked for you.

Please take part in our [short survey](#) to tell us about your experiences.

Wellbeing at the Orchard project set for launch

Starting in July 2019, and thanks to funding from our [Community Cash Fund scheme](#), the [Wiltshire Wildlife Trust](#) will be running a new project, [Wellbeing at the Orchard](#) - an eight-session programme based at Roundway Orchard in Devizes.

The nature-based activities are designed to support people struggling with mental health issues like anxiety, depression, low mood and stress. It's open to adults who live in Wiltshire and who can travel to the pick-up point or site.
