

Voluntary Local Leadership Board Members

About Healthwatch Wiltshire

Healthwatch Wiltshire is an independent champion for people using local health and social care services in Wiltshire. We listen to what people like about services and what they think could be improved and share their views with those with the power to make change happen.

We also share them with Healthwatch England, the national body, to help improve the quality of services across the country. Our sole purpose is to help make health care better for people living in Wiltshire.

Our staff and volunteer team play a significant role in the wide range of our activities and projects. More information about Healthwatch Wiltshire can be found on our website: healthwatchwiltshire.co.uk
